

August 6, 2008

Dear Customers:

Descore Inc. will host two software showcases this fall in both Montreal and Toronto. Our leading suppliers Basis Int'l Inc. and Synergetic Data Systems Inc. will be there to talk and inform you about their latest products.

- Basis International LTD. – Developer of Business Basic application development tools, including; BBx, PRO/5, PRO/5 Data Server, VPRO/5, BBJ, ODBC/JDBC and the newest addition to their list of products, BARISTA, a Rapid Development Application.
- Synergetic Data Systems Inc. – Developer of one of the most popular forms generators Uniform 7.1 with add-on Archiving and Imaging modules as well as General, SdOffice, dServe and MailCall.

You will have the chance to meet the developers in person and gain in-depth knowledge of their latest products.
