

**** WHAT IS SAM PLAN ****

SAM PLAN is Basis International's Renewable, Annual Software Maintenance Program

SAM PLAN prepays and fixes the costs for product upgrades, platform changes, license consolidations, license resets, redundant licensing and provides for beneficial tier pricing for newly added users during the life of an ACTIVE SAM PLAN.

**** WHAT A SAM PLAN SUBSCRIBER GETS ****

- .Ensured operating system compatibility
- .Access to the latest functions and features
- .Competitive edge preservation through the incorporation of current technologies
- .Accuracy in budgeting and planning for software upgrades and expenditures
- .The ability to treat software expenditures as operating expenses vs. capital investments
- .Speeds the upgrade approval process
- .Replication is supported on licenses with ACTIVE SAM plans
- .Virtualized systems are supported on current licenses (rev. 10+) upon request

Save Money

- .By avoiding the much larger one time upgrade or reinstatement fees
- .By qualifying for beneficial tier pricing when adding new users
- .By qualifying for redundant licensing functionality
- .By qualifying for license consolidations
- .By qualifying for license resets
- .By qualifying for 5 developer's technical support incidents/license/year
